QUARTZ
COLLECTION

ENVI™ Quartz Surfaces are made from natural materials and may vary in color, shade & grain structure. Seams will be visible, as quartz is not a seamless product. Samples are representational, and will not be an exact match to installed material. Please view all slabs prior to fabrication.

ALBATROS

2cm | 3cm

Albatros has subtle warm-toned veining that gives it a marble inspired style of its own, allowing it to work harmoniously with both bold and neutral hues.

ECHO

2cm | 3cm

Echo is familiar and personal, like the life-affirming 'call and response' of a canyon wall. Its cool white backdrop & dark grey veining offer comfort and interest that always speak to us.

SNOWFALL

2cm | 3cm

Snowfall evokes a fresh winter scene. Its beautiful alabaster cast captures ambient light for a perfect backdrop, with no veining and a uniform small grain look.

NORDIC

2cm | 3cm

Nordic brings a distinct Scandinavian sensibility to any space. Always on trend, this icy hue complements every décor with a bright, white counterpoint.

ARCTIC

2cm | 3cm

Arctic is the epitome of simple elegance with a very consistent white makeup. Arctic has no veining and easily transitions design concepts room to room.

COMPASS

2cm | 3cm

Compass leads the way to a fresh look in any room. With a uniform consistency and no veining, Compass offers a clear path to every design destination.

GREIGE STONE

2cm | 3cm

Greige Stone anchors any space with the natural charm of its grey stone look. Highly uniform yet full of nuance, it offers hints of beige tones for timeless appeal.

TREK

2cm | 3cm

Trek says your space is a journey, and should remain livable today, tomorrow & beyond. Its grey smoke color and tight grain support many design looks reliably.
